### **About AcuCort AB (publ)**

AcuCort AcuCort has developed and commercializes Zeqmelit®, a new fast-dissolving oral film to be placed on the tongue, based on the well-known cortisone substance dexamethasone. The drug is a smart product in a new, innovative, patented and user-friendly administration form primarily for the treatment of severe and acute allergic reactions, croup in children, nausea and vomiting during chemotherapy and for the treatment of patients with covid-19 who need 2 supplemental oxygen therapy. Zeqmelit® is approved in Sweden, Denmark and Norway. All in all, it strengthens the company's assessment that the time until commercialization can be relatively short. AcuCort (short name: ACUC) is listed on the Spotlight Stock Market. Please visit [www.acucort.se](http://www.acucort.se).
